Dear Exhibitors and Friends:

On behalf of Tri-County Carriage Association (TCCA) and the Great Lakes Carriage Classic (GLCC) Show Committee, it is our pleasure to invite you to participate in the 2<sup>nd</sup> Great Lakes Carriage Classic being held July 6<sup>th</sup> to 8<sup>th</sup> in Clinton, Ontario.

The objective for this show is to provide a diverse range of driving enthusiasts with a Canadian experience to show their equine partners and advance their driving skills. In keeping with TCCA's motto "where carriage driving begins" this show is welcoming to new and experienced show competitors.

Expanded to a three day show, the pony division has been split into VSE, Small Pony & Large Pony and the multiples have been split into Pair or Tandem & Fours. The core divisional classes will now include turnout, working, reinsmanship, cones and pleasure cross country obstacle classes. The Welsh and Hackney breeds will be featured during the Carriage Showcase. For breed specific classes registration papers are required. In the utility division vehicles with wire wheels and pneumatic tires will be accepted without prior approval from the management.

Kali Knickerbocker Mahler has agreed to join us this year as the Technical Delegate building on the foundation laid in 2017 by Ed Young. We look forward to working with Kali as a vital partner in this event. The pleasure judge is Jessica Axelsson and the cones/cross country judge is Muffy Seaton with cones courses created by PJ Crowley.

The Para-division is an important part of the GLCC and Reach Huron is a fully accessible site. The indoor arena is 40 by 80 metres in size with ample indoor seating and excellent footing. There is a combination of indoor and outdoor stabling with a wide variety of accommodations for competitors and volunteers. As the competition occurs during peak tourist season, participants are encouraged to book rooms as soon as possible to avoid disappointment.

Campers can be accommodated for a fee at Reach Huron's dry campsite. To allow time for participants to visit with friends, social activities at the GLCC have also been expanded. A Welcome Reception for all will take place on Friday evening followed by a ticketed buffet sit down dinner. On Saturday evening the Carriage Showcase provides an opportunity for the community to be entertained by and educated on the sport of carriage driving. The show concludes on Sunday with an Awards Ceremony and Luncheon.

For our American competitors information about crossing the border and the requirements for your equine partner can be found on the website. Entries may be done on the website [www.tricountycarriage.com](http://www.tricountycarriage.com) or by hard copy obtained by contacting Jean McLean at 905 575 8313 and are due June 23. Payment can be made on the website through PayPal and by cheque or money order made payable to Tri-County Carriage Association.

TCCA expresses gratitude to all of our supporters for the large part they play in making our show season possible. Volunteers and spectators are welcome and encouraged to participate in our shows.

Sincerely,  
Jean McLean,  
Show and Events Manager

The number of obstacles is to be proportionate to the size of the driving arena and is not to exceed 20 obstacles. After passing through the start marker, the driver shall proceed through each obstacle in order to the designated finish marker. #### Fault and Out Obstacle Course

Class 37 Fours

A timed course of numbered obstacles consisting of cones and balls. The number of obstacles is not to exceed 10 obstacles. After passing through the start markers, the driver proceeds through each consecutively numbered obstacle in order until the allowed time expires or until an obstacle is dislodged or a disobedience occurs. If all obstacles are driven cleanly before the allowed time expires the driver begins the course again, starting with obstacle #1 (without going through the start markers). Two points are given for each obstacle cleared before the allowed time expires or a disobedience occurs or an obstacle is dislodged, (when this occurs a signal is given). On hearing the signal the driver proceeds through the next consecutively numbered obstacle. The time is taken when the rear axle clears this obstacle. If the last obstacle is cleared, one additional point is scored. If the last obstacle is dislodged, no points are given but the time is still recorded. Going off course, dislodging the start marker or not carrying a whip will incur **elimination**. Cantering is not allowed.

The driver begins by passing through the start markers and proceeding through each obstacle in order. The turnout must keep within the limits of the designated course markers and proceed until passing through the designated finish markers. An ideal time for each division to drive the course will be determined prior to the event. Time will be used to decide ties for those with equal fault totals. Cantering is not allowed.
